Recently this year I set my hands on the book "Romance of the Three Kingdoms". I wanted to read the novel, but for now, I decided to start reading from the manga version. I only know three different versions of the manga, "Romance of the Three Kingdoms." so if anyone has any recommendations please tell me. For the wonderful person who bought this manga, Thank-You.

IT'S REALLY A GAMBLE WHEN YOU SAY THOSE KINDS OF THINGS TO AN OLD FRIEND OR A VERY GOOD GIRL FRIEND.
THAT'S TRUE
IT'S REALLY HARD IF YOU GET DUMPED
YOU HAVE TO BE REALLY PREPARED IN ORDER TO SAY IT.

IT WAS ALL-OF-A-SUDDEN

IF YOU CAN'T DO IT YOURSELF ...

IF YOU'RE GOING TO SAY THE THINGS YOU SAY EVERYDAY,

I am also doing, "Zion vs Federal State-" ... I am very bad at it (dies) I've played against my younger brother since New Years.

I like knocking down Gundams with weapons, without using beams when I'm playing the Zion team (mourning)... But I like Gundam

I often use Dom and Ziong. I play with Giama...

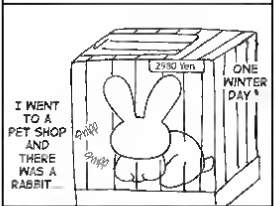
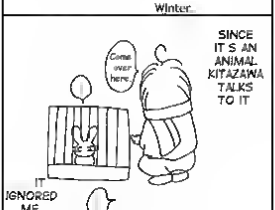
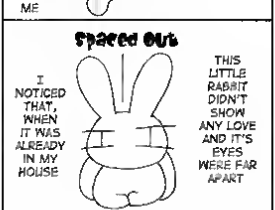
Mother s Picture
HAPPY
MOTHER IS A LITTLE CARELESS AND A BIT OVERWEIGHT

The day Luna came

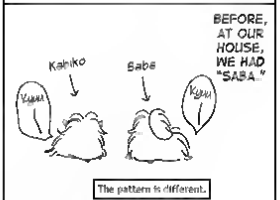


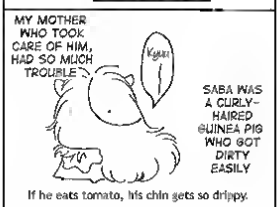




Spaced out
I NOTICED THAT, WHEN IT WAS ALREADY IN MY HOUSE
THIS LITTLE RABBIT DIDN'T SHOW ANY LOVE AND IT'S EYES WERE FAR APART

The day Kabiko came





MY MOTHER WHO TOOK CARE OF HIM, HAD SO MUCH TROUBLE
Kyuu
SABA WAS A CURLY-HAIRED GUINEA PIG WHO GOT DIRTY EASILY
If he eats tomato, his chin gets so drippy.

THE PRICE WAS TWICE THE AMOUNT OF SABA (LAUGHS)
Sitting on hand.
Kyuu
WHICH REALLY WASN'T A HAIRBALL. BUT ACTUALLY A GUINEA PIG (CURLY-HAIRED TYPE)

The Treats
Especially this
Biscuits
For Rabbits
LUNA LIKES TREATS
Lettuce
THE REACTION WHEN WE GIVE HIM VEGETABLES IS DIFFERENT
Face saying "Oh well"
Sweat
WHEN WE GIVE HIM A BISCUIT
GRR !!
Ah!
BUT HE LIKES ICE CREAM THE BEST
BUT REALLY YOU RE NOT SUPPOSED TO GIVE HIM ANY
The Refrigerator
Our Refrigerator
KABIKO LOVES THE REFRIGERATOR
A chest ..?
Rumble Rumble
WHEN WE OPEN THE VEGETABLE DRAW
Luna surprised
HE CRIES
Kyuu
Very loud voice
IF WE IGNORE HIM, HE WILL STOP
HE WILL CONTINUE TO CRY UNTIL HE GETS SOME VEGETABLES
Fading out

The End

Thirty-eight Degrees C

38°C

The uniform's skirt is short, because of my taste
I like mini skirts

I will only talk about this here, but Taiji's last name ended up like this because at that time I was into "Umeyasu Fujieda"

By Shuotarou Ikenami

Since my body temperature is below normal, when I get a fever it is a serious thing. I get a bloody nose.

Solution Maze

Kaho Mero

I thought of this in the middle of winter. Even though this is a story that takes place in the middle of summer. (And was published in the April magazine)

Anyways thank-you for letting me write this story, boss-san

Even though I complain a lot, this is one my favorites

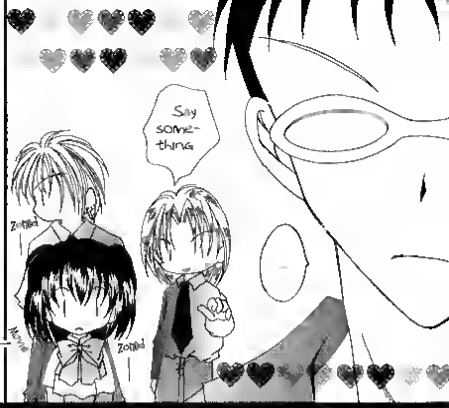
Talking about summer, I really like the smell of mosquito-repellent incense

Heaven in Jail

I am not sure why he is so popular, but people said, "I like this guy," about the one with glasses. Why!? I love blondes who act like older sisters.

I sometimes wear a pin instead of a stud, like Akechi does. I feel good! [Why?]

I stole Kyouzou's name from a wonderful character in "Love, Fireworks and A Ferris Wheel"



Winter's Aquarium

The names of the main character's friends, are my parent's names. The companion to reach is my younger brother.

And like the main character I can't swim. I need an inner-tube.

During the story, a meat bun comes up, that's because when I was writing the names, I was getting hungry.

When some type of food comes up again, please think, "Ooh, Kitazawa is hungry."
